Fill Together (with the Holy Spirit) and Act Together (in sharing that filling)

➤ **A ministry for developmentally challenged young adults** ◀

## ❖ About us

**MEANING** : Seeking the FILLING TOGETHER of our hearts and minds with the Holy Spirit, God's Word, love, and grace. Then ACTING TOGETHER to spread that filling to others near us and throughout our community.

**PURPOSE** : Our purpose is twofold and is reflected in our motto : "To share the joy of God's love in our hearts, and His wisdom in our lives". We strive to accomplish this through the study of God's Word, and Living Life Lessons (practically applicable lessons on daily life activities)

**GOALS** : To have FUN, and enjoy our journey toward providing our members the 'how to' in coming into a closer relationship with God while also becoming more self-reliant to live in an ever changing world.

**WHAT WE DO** : Worship, Bible Study, Lunch, LLL(various Living Life Lesson)
