The General Assembly of the Presbyterian Church (U.S.A.) meets biennially in even-numbered years. It consists of commissioners elected by each of its 173 presbyteries. The GA is full of activities: business sessions, committee meetings, an exhibit hall, daily worship services, and mission tours sponsored by the Committee on Local Arrangements.

The assembly acts on hundreds of items of business, which it receives through the reports and recommendations of various assembly entities and through overtures from synods and presbyteries.

The 221st General Assembly (2014) will be held in Detroit, Michigan - June 14 - 21.

The Presbytery Coach and Coordinator Nominating Committee, recently renewed with additional elected members, will begin again to search for a new Presbytery Coach and Coordinator for Tampa Bay Presbytery. The Chair of the Committee is Reverend Mike Loudon from First, Lakeland. He will be providing updates to the Presbytery regarding the process for new staff. Please pray for all!

PARABLE OF THE TALENTS

You may remember that last year a considerable amount of money was provided to congregations in Tampa Bay Presbytery in the form of Evangelism Grants. Soon and very soon, the Commission on Church Vitality will contact those same congrega-

tions to hear what has happened with the money granted to your congregation and how that has positively impacted your spiritual and transformational growth as a congregation. It is our contemporary form of accountability as we learned in the Parable of the Tal-

ents (Matthew 25), understanding that there is an outcome of faithful service. How have you used what has been entrusted to you to share the gospel with others who have not met Jesus Christ? Please watch for an email and postcard regarding reporting on your talents.
