### Annual Statistical Report

Each year, congregations submit statistical reports to the General Assembly. To access the report form, go to <http://oga.pcusa.org/stats>. It's available in English, Spanish, and Korean. Your sign-in information is the same as last year--look for a letter in the mail this weekend with your church's login/password. This year's deadline is Friday, February 13, 2015.

### Proposed Directory of Worship

All are invited to check out a new proposed directory for worship. This version seeks to be briefer with fewer chapters, removed the word 'shall' with a goal to achieve a similar level of flexibility as the new form of government. Comments and suggestions are welcome. <http://www.presbyterianmission.org/ministries/worship/directory-for-worship/>
