**PRESBYTERY
OF
TAMPA BAY**

Our Mission:
*To identify and strengthen leaders
so that every congregation makes
new and mature disciples for Jesus Christ.*

Better Know A Presbyter

One of the most enthusiastically supported ministries in our Presbytery is the [Beth-El Farmworker's Ministry](#). Beth-El does necessary and at times, ground breaking work supporting and advocating for migrant farm workers in our area, and has been a joint mission of Peace River Presbytery, the Cumberland Presbyterian Church, and the Presbytery of Tampa Bay for decades.

Beth-El recently hired a new Executive Director, Kathy Dain. In this very special episode of "Better Know", get to know Presbyter Kathy Dain, as well as learning about the good work going on at Beth-El and how your church can get involved:

As always, if you've got a resource, tip, praise or just a really interesting story you want to share, please, let me know!

Rev. Dave Baker,
Stated Clerk and Director of Communications
Presbytery of Tampa Bay

Mission Giving Opportunity in Honduras

Can you imagine walking one and one-half hours each way over a rocky, up and down mountain trail three times a week to conduct services in a Presbyterian Church? That is exactly what a pastor in Honduras does as he serves the church in a remote Honduran village. Churches in Honduras are unable to support their pastors, so they all must have another occupation. This particular pastor is a farmer. If he had a horse, his travel would be much easier. However, \$250.00 for a horse is far more than he can afford. If anyone would like to assist this pastor and pay for a horse, please call Betty Wajdowicz, 727-596-4740 or The Rev. Ramiro Ros - 813-513-1398. Instructions will be provided on the way

to donate the money through the Presbytery of Tampa Bay. Many thanks to everyone who has helped to support our work in Honduras in so many different ways.

Disaster Preparedness

Although Ericka was a bit less dramatic than at first feared, we are still near the peak of Hurricane season, and there are other potential problems that may arise for us. Since an ounce of preparation is worth a pound of problem solving, we'd encourage your church to join the Presbytery of Tampa Bay's Disaster Preparedness network if it hasn't already (2/3rds of our churches have not):

[KPC of Tampa](#) would like to invite the Presbytery to share in their joy as they celebrate their 39th anniversary and install and ordain 5 Deacons and 10 Kwonsas (women's senior deacons). The service will be at 4pm Sunday September 13th in the church sanctuary with reception to follow.
