The Developmental, Risky, Experimental, Adaptive Mission (DREAM) Grant is being offered by the Presbyterian Mission Agency in order to encourage dreamers, risk-takers, pioneers and trailblazers.

This grant is designed to encourage the birth of new ventures through congregations and presbyteries rather than to support the expansion of existing programs within congregations. For the purpose of this grant, new is defined as an initiative that was created no earlier than January 1, 2014. This grant is not intended for new worshiping communities or new church developments.

Please note that the deadline for this grant is May 15th. If you are interested in applying, please download [the application](#) and return it completed to the Presbytery Office.

Mission Opportunities

Honduras

The Presbytery of Tampa Bay has a covenant relationship with the Presbytery of Honduras. Your International Mission Partnership Committee (IMPC) acts as a liaison between the two presbyteries. We have learned the four year drought in southern Honduras shows no sign of letting up. The congregations in that area are suffering because of crop loss.

Other churches in the presbytery of Honduras offer some relief with bags of staples, but their resources are very limited. The IMPC has sent money on your behalf to help but their resources are also limited. If you or your church feels led to help us feed our brothers and sisters in Honduras, write a check to

your church and earmark it Presbytery of Tampa Bay Honduras hunger relief. Bendiciones!
