

### ***Our Mission:***

*To identify and strengthen leaders so that every congregation makes new and mature disciples for Jesus Christ.*

## **Passing of Rev. Jim Holmes**

It is with regret that I inform you of the passing of Rev. Jim Holmes. He joined the church eternal on March 3rd at St Joseph hospital and was 79 years of age. His wife Patricia (Pat) and daughter Nicole Ambrosio were there supporting him.

Jim was the founder of the Judeo Christian Health Clinic. He always worked for the well being of the poor and disenfranchised and believed they were God's special people. His memorial service was held on Monday, but contributions may be made to the Judeo Christian Health Clinic or Meals on Wheels.

For more information about Jim, the impact of his life and ministry, please [read this excellent article](#) from the Tampa Bay Times.

In Christ,

Rev. Dave Baker,  
Stated Clerk and Director of Communications  
Presbytery of Tampa Bay

## News From Around the Presbytery

### Cuba!

Coach and Coordinator Patrice Hatley and Moderator Marsha Rydberg are extending their invitation to a conversation about the recent visit to Cuba and most importantly about developing relationship with our brothers and sisters in the Presbyterian-Reformed Church in Cuba (Iglesia Presbiteriana-Reformada en Cuba). We will enjoy some Cuban pastries and conversation together at the Presbytery of Tampa Bay office located at 4704 Kelly Rd, Tampa on **Tuesday, April 5 from 1:30-3:00 pm.**

Information about the Cuban Partnership Network will be discussed. There is an opportunity coming in October to join other PC(USA) people from around the US in a relationship-building trip to Cuba. The visit will include the Evangelical Theological Seminary in Matanzas as well as churches in all three Cuban Presbyteries.

We are blessed with the presence of many Cuban-Americans among us in the Presbytery of Tampa Bay, exiles from their homeland. We can learn more about their experiences and life stories, too, as we seek to come together by the GRACE of God! Marsha Rydberg speaks Spanish, so if you need assistance in communication during our time together, she is a great help!

Please let Ann Marie Fizzano know if you plan to come so we may have plenty of refreshments to offer! You may reach her through email at [office@pnty.com](mailto:office@pnty.com) or by calling the office at [\(813\) 868-4800](tel:(813)868-4800).

### Website Feedback Survey

Please take a moment to fill out this survey:  
[Presbytery Website Feedback Survey](#)

This survey will help drive the conversation about how the Presbytery website can best help you and your church. If you're getting this newsletter, you're

encouraged to take the survey, even if you're not a pastor or elder. It should take less than 10 minutes to do.

We'll also be conducting interviews with those who are most often using the website. We don't want this update to merely be a cosmetic upgrade, but a way to truly make the most of modern technology in support of our ministries. So if you have ideas or frustrations, or just want to be part of the conversation, I'd encourage you to take part in the online survey above and one of the feedback sessions (Presbytery breakout or webinar).

**Honduras**

Many thanks to those who helped to purchase a horse for Honduran Pastor Prudencio Vazques who had to walk 1 ½ hours each way over mountainous terrain to conduct services in the church he serves. Pictured above is the pastor with his horse. He is deeply appreciative.

The Presbytery of Honduras provided the International Partnership Committee (IMPC) with copies of all official papers documenting the sale of the horse for the pastor. To see more activities and pictures of events and work in Honduras, visit:

[IMPC Honduras Presbyterian Partnership Face Book Page.](#)

Anyone interested in participating in a IMPC mission trip to Honduras July 17 - 24, 2016, please contact Betty Wajdowicz at [727 596-4740](tel:7275964740). Additional participants in this multi-church group are welcome.

If you'd like to contribute otherwise, please participate in 3 cents a meal or forward checks to the Presbytery marked for Honduras food purchase.

### Habits of the Heart for Healthy Congregations

Parker J. Palmer's "Habits of the Heart" are deeply ingrained ways of seeing, being, and responding to life that involve our minds, our emotions, our self-images, our concepts of meaning and purpose.

At this retreat you will learn **new skills for fostering leadership** - both within yourselves and among others - for the sake of **revitalizing faith communities** locally and globally. Join like-minded peers and discover ways to renew your spirit and the spirit of your community of faith.
