Featured Resource

Today's resource is one that most of us use everyday - Google. You may be aware that Google offers a host of free services for nonprofits, including churches, but you might not know how to sign up to get free email, google drive, or even free google ads. It's a little bit tricky to sign up as a church, but I'll take you through the process in today's 6 minute video!

Learn how to get free Google services below:

If you'd like more detailed information about what exactly Google is offering for your church, I'd recommend checking out this [conference for nonprofits hosted by Google](#) (and check out the other videos of this conference on their [youtube channel](#)).

As always, I hope that if you have a joy, concern, resource or mission opportunity to share, you'll let me know!

In Christ,

Rev. Dave Baker,

Stated Clerk and Director of Communications

General Assembly Information

As many of you are probably aware, the 222nd General Assembly is coming up very shortly, in just a week! One of the things that will be different this year is that everyone is invited to the the opening worship service on Saturday June 18th.

The opening worship of the national gathering of the PC(USA) will be live streamed this year, so I hope that you will take advantage of this opportunity to show unity with your family in Christ.

More information about the happenings at this year's GA, as well as the link to the live stream (when available) can be found here:

Below are a few words from Presbyterian Disaster Assistance trainer Robin Powell (robin@ewfw.org) on getting ready for hurricane season. There are several PDA trained trainers available to meet with churches and provide disaster preparedness training. Please contact Robin for more info.

Preparing for Hurricane Season

Make a plan, build a kit and practice what to do: When a hurricane hits, communications systems can go out, transportation can be limited, and it could be days before emergency responders are able to reach communities that need help. FEMA encourages residents in potentially affected states to be prepared to take care of yourself for 72 hours and do the following:

- Make a Church Family Communication Plan: Family and church members should discuss how they contact one another in an emergency and check in with each other from different locations. Families should plan how to care for children or members with access and functional needs, and learn how to get in touch if cell phone, internet, or landlines don't work. Be sure to practice your plan so everyone will know what to do in the event of an emergency.
- Emergency Supply Kit: A 'go kit' is a bag that contains basic items families may need, during an emergency. Kits should contain non-perishable food, water, and other supplies, such as flashlights, local maps, and a battery-powered radio, to last you and your family for at least 72 hours. Ready.gov contains a complete list of items. Remember prescriptions and insurance paperwork.
- Pets: Many local shelters do not permit pets, but laws require them to accept service animals. Families should have a plan for pets should they need to evacuate.

You're invited to celebrate the ordination of Meghann Pabst, chaplain of Palma Ceia Presbyterian Preschool, at [Cedarkirk Camp and Conference Center](#). Mission Opportunities

Caribbean North American Council for Mission (CANACOM)

Young Adult Representative

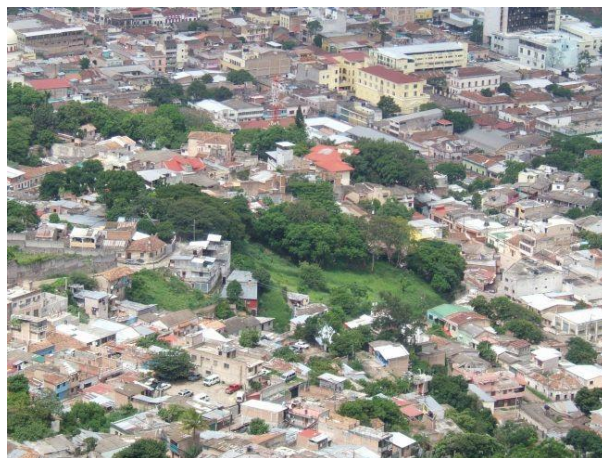

We have the an interesting opportunity to suggest some young adults (under age 33) to serve as the North America representative to the Caribbean North American Council for Mission (CANACOM) of which the PC(USA) is a founding member.

This year CANACOM celebrates its 30th anniversary as a collaborative mission presence in the Caribbean and North America. This [short powerpoint](#) gives an overview.

The deadline for application is July 8. Interviews will be conducted via Skype from July 11 - 15, 2016. This ["job" description](#) is on the responsibilities and time commitments for this volunteer position. Most of it occurs from a distance, wherever the person resides, but there are the Council meetings every 18 months and a Young Adult work camp every 3 years.

Previous young adults who have served in this capacity have enjoyed getting to know folks from the several Caribbean islands involved as well as our Canadian counterparts. Use the [application form](#) to apply. They are looking for someone willing to commit for at least a 3-year term.

You can email questions to joella.holman@gmail.com

First Presbyterian Winter Haven Honduras Mission Trip

[First Presbyterian Winter Haven](#) is in Honduras assisting the Presbytery of Honduras which has a covenant relationship with our presbytery. While there they will deliver soft toys to the poor children in the Hospital Escuela. They will also provide bag lunches for their families (families must provide their own food and also their own sheets). Also they'll install a solar panel to provide lights in a new and very rural (isolated might be a better word) church with no source of electricity. In addition, there will be three medical and dental clinics at other remote churches probably serving over 300 patients in three days. The group promises to post pictures on their return.

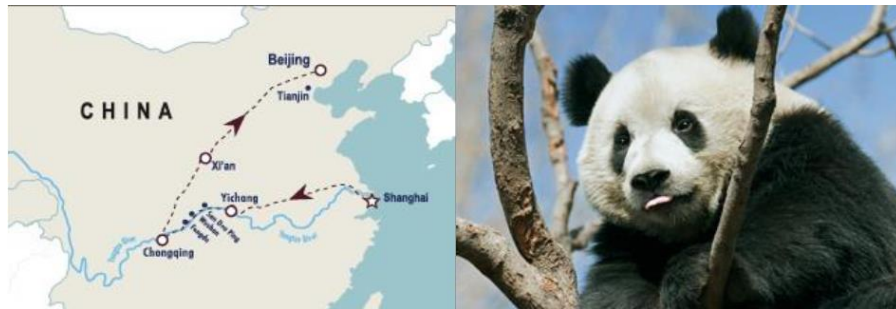

Please pray for them as they try to do God's will!
