Stated Clerk Addresses Vision for PC(USA)

"Write the Vision-Reclaim the Call" is the theme of a church-wide Reformation worship service led by the Reverend Dr. J. Herbert Nelson, II, November 2 at the Presbyterian Center.

"This is an opportunity in this Reformation season to call for a reform within the Presbyterian Church (U.S.A)," said Nelson, Stated Clerk of the General Assembly. "It is my hope that we, as a denomination, can embrace a spiritual reformation that breaks down the walls that separate us within the national church and those that divide us from the communities where God has placed us."

Rev. Nelson drew from scriptures in Habakkuk and Luke as he called the church to proclaim a new vision through prayer, reconciliation, and recommitment to Jesus Christ. Congregations are encouraged to consider meeting in a common space to view the worship service and discuss possibilities for the future of their ministries.

You can [watch the service at this link](#). Rev. Nelson's address begins about 25 minutes in.

Black Friday. Cyber Monday.

#GIVINGTUESDAY™

November 29, 2016

Most people know about Black Friday and Cyber Monday, but did you know that religious organizations receive 40 percent of all donations on **#GivingTuesday**?

#GivingTuesday celebrates generosity by providing people everywhere with an opportunity to give more, give smarter and give great. This special call to action provides an opportunity to remind and encourage Presbyterians nationwide to support their local presbyteries and synods as they work to build community and equip churches to fulfill their mission and ministries.

The Presbyterian Mission Exchange makes giving an easy task. Operated by the Presbyterian Foundation, donors can use the secure online giving system to make gifts via debit/credit card or electronic funds transfer to any PC(USA) congregation, and to dozens of Presbyterian-related mission organizations - regional, national, and international.

Go to PresbyterianMissionExchange.org/givingtuesday for materials to help you promote this worldwide day of giving.

Urgent need for canned and dry goods in Beth-El Farmworker Ministry

Beth-El Farmworker Ministry has an urgent need for canned and dry goods. With the exception of rice and beans, our food pantry is completely empty. This week (11/15) the food pantry ran out of food to distribute before noon. Between 400 to 600 families look to Beth-El each week to help supplement their family's needs. Please help if you can.

Many families were hoping that we might have some type of meat to offer for the Thanksgiving holiday, but that too is nearly impossible to find. If you can help, please call us at: 813-633-1548. Gracias!

Hurricanes HERMINE and MATTHEW...

It had been over ten years since Florida experienced a land falling hurricane, but our streak of good fortune has run out with two hurricanes this season. Hurricane Hermine came ashore in early September on the west coast affecting many areas in the Presbytery of Tampa Bay and then traveled across the state into Presbytery of Florida. In October, Hurricane Matthew rode the east coast all the way up to North Carolina, severely affecting Central Florida and St. Augustine Presbyteries as well as other presbyteries to the north. Most of the damage from these two storms was caused by tidal surge and flooding, inundating homes with up to four feet of water. Several Florida churches saw water damage from roof leaks and downed trees.

The Florida PDA Network (FLAPDAN) and PDA responded, making contact through calls and site visits with a total of 20 affected churches and worshipping with six congregations the following Sundays. FLAPDAN's connections and relationships with the state and local disaster response agencies helped to expedite cleanup work in the communities as volunteer teams responded to assist in mucking out flooded homes and removing storm debris. To date, there have been over 13,000 FEMA applications submitted by residents affected by Hermine and over

40,000 FEMA applications submitted due to damage by Matthew in Florida alone. Many of these families will not have the means to rebuild their homes by themselves and will need the assistance of the voluntary and faith-based organizations to help them recover.

Through FLAPDAN's partnership in Florida Voluntary Organizations Active in Disaster (VOAD), we work together with these organizations to set up Long Term Recovery Groups in

communities facing rebuilding challenges. Each family requesting our help goes through a case management process to combine what resources they have with the skills of volunteers and the needed materials purchased through monetary donations to the long term recovery effort.

RECOVERY: HOW YOU CAN HELP...

VOLUNTEER!! As long term recovery begins, volunteer teams will be needed in storm affected areas to help rebuild homes. If you have a group from your church or community that can help, please contact FLAPDAN. We will match you with work projects and put you in touch with local Long Term Recovery Groups.

SHARE SPACE!! Churches close to the storm affected areas may be needed to host volunteer work teams during the rebuilding phase. If you have space somewhere in your building for a small group of volunteers to sleep, eat and shower, please contact FLAPDAN.

DONATE CASH!! Your financial gift - no matter the amount - will assist in the long term recovery of families affected by the Florida storms. You can donate to Presbyterian Disaster Assistance at

pda.pcusa.org/situation/hurricane-matthew-response Please do not donate goods. Cash is always best. Watch this [short video](#) to see what a dollar can do!

GET INVOLVED!! Represent your church and the PCUSA body at local LTRG or VOAD meetings. Contact FLAPDAN for information on these local opportunities.

We are such a connectional body. FLAPDAN sends out a big thank you to all the churches that offered space for volunteers and evacuees from opposite coasts, assembled flood cleanup buckets and Gifts of the Heart, donated funds to support recovery, and to all the volunteers that helped with cleanup.

Kudos to all the churches and presbyteries in the paths of these storms for successfully activating and carrying out their disaster plans and protocols! And thank you for all you continue to do support FLAPDAN, PDA and our local recovery efforts.
