Be Still and Listen - The Spiritual Journey at Ghost Ranch

Where are you on your Spiritual Journey?

With a to-do list that never ends, an overflowing inbox, a bustling family life and the demands of modern day calling and pulling in all directions, when is enough finally enough? At such a time as this, we need to strengthen our

connection with God and we need fellow pilgrims on this journey.

We invite you to make time for spiritual nourishment in your life within a landscape celebrating God's creation. The Spiritual Journey at Ghost Ranch creates this time and space for you to be still and listen to cultivate deeper meaning and Sabbath in your life.

Be Still and Listen

The Spiritual Journey

Sunday, July 31-Sunday, August 7, 2017

The Spiritual Journey is a one-week program designed to enrich deeply your relationship with God/Spirit and to help you recognize the ways God is present and working in your life.

During The Spiritual Journey you will learn to:

- Develop your deep listening and personal discernment skills, which are essential to the spiritual life
- Explore ways of paying attention to your life
- Cultivate awareness of how you respond to what is beckoning you to grow
- Draw from ample and varied forms of prayer and reflection
- Experiment with new ways to uncover and converse about spiritual experiences

We invite you to explore and strengthen your spiritual life in a small group setting with trained facilitators and fellow sojourners. Take time for yourself in this spirit-filled space.

Many come just for Spiritual Journey, a stand-alone experience, and others continue to our two-year training program, The Art of Spiritual Direction because they find the depth they are seeking. The week-long Spiritual Journey retreat is both a stand-alone experience and is a required step whereby participants interested in becoming spiritual directors discern the next steps of their own spiritual journey.

This retreat is held at Casa del Sol a retreat space at Ghost Ranch dedicated to deeper spiritual contemplation located two miles from main Ghost Ranch main campus.

The Art of Spiritual Direction

Monday, November 13-Monday, November 20

This experience nurtures openness to the many ways God enlivens both participants and their companions on life's spiritual journey. Rooted in the Christian contemplative tradition, we draw on and study the wisdom from many traditions. An experienced staff of distinguished spiritual directors facilitates sessions using role-plays, presentations, discussions, spiritual practices, demonstrations, contemplative exercises and prayer.

Participants who apply and are accepted in the program will travel to Ghost Ranch for four, one-week (7 nights) residential intensives. In between the residential intensive weeks, field work and assignments will occur.

A Seasoned-Call-A Retreat for Spiritual Companions & Soul Care Workers

Thursday, November 9-Sunday, November 12

If you're in need of care for your own soul-as a pastor, chaplain and soul care worker, our annual weekend retreat awaits you. Join in three days of connection, learning and inspiration as we convene for renewal and friendship for spiritual directors. Pray and play together in the spacious depths of desert spirituality.

Stillpoint programs are designed to help you practice listening deeply to God/Spirit and your own inner wisdom within a small group community. Soul care workers from many disciplines and traditions have found nurturance and space to deepen their faith journeys through the Stillpoint offerings that take place in the beautiful high desert landscape at Ghost Ranch.

"The program revealed to me how I already sought to engage others in holy conversations through relationships and writing. Then Stillpoint provided wisdom, stillness, tools, new language, remarkable community, passionate teachers, healing vistas, lessons in deep listening, and gentle challenges to expand my ways of invitation and to release expectations that limit the work of the Spirit in me and in others. I have no doubt that this program will forever be the best risk, the best adventure I have ever embraced." ~Hope Lyda, Eugene, OR
