Thursday Eve, November 29 — Opening Ecumenical Worship
AME Ecumenical & Urban Affairs Bishop Frank Madison Reid III

Friday, November 30 — Crafting Florida's Narrative
with the Gospel, Dr. David A. Hooker

A day of profound reflection on the church's role in God's response to the cries of suffering in society at this critical moment of transition.

Workshop leader David Anderson Hooker, Kroc Institute for International Peace Studies, University of Notre Dame, and long-term member of JustPeace Center for Mediation and Conflict Transformation (UMC).

Dr. Hooker will help us understand the church's unique, multidimensional position for determining society's underlying narrative and lead us in crafting a new and preferred narrative for Florida that incorporates biblical justice, compassion, and redemption.
