

2019 Beach Retreat

Clearwater Beach, FL

April 29—May 2, 2019

Clergy women do it all. We balance ministry and family demands often neglecting our own self care.
That's why we're gathering at the beach—for rest, respite, and relationship-building.
We'll assemble from near and far—interfaith, intergenerational, intersectional.

All clergy women are welcome to come away from rush and hurry.

Cost: \$150 plus lodging (group rate available)
(\$100 for current seminarians)

For registration
