**Summer Happenings** --- Presbyterian Women of Hope --- Hope Presbyterian Church in Winter Haven

#### Honorary Membership Awardees

In early June we presented two individuals for Honorary Membership of Presbyterian Women. Lynne and John Maxwell were Hope's 36<sup>th</sup> and 37<sup>th</sup> awardees. These two very devoted, dedicated long-term members of Hope fill leadership roles, and are ever available to help out with special projects, fulfill temporary needs and assist wherever they are called. Congratulations Lynne and John!

#### Sundaes by the Sea

On Saturday, June 30, Hope P.W. had an event---Sundaes by The Sea. This fun time of fellowship, activities and crafts and, of course a "make your own sundae" bar was attended by over 40 ladies. We were happy to welcome PWTB Moderator and Vice-Moderator Ellen Stoup and Joyce Dain-Porteous. Ellen filled our ladies in on P.W. events and challenges. How nice to meet them and have them visit our church. A great time was had by all.

**What inspiring things did your PW do over the summer?**

The world doesn't need a miracle from above to end hate, oppression, injustice, and inequality. It doesn't need an act of God to end the suffering we see happening.

The world needs us, followers of Jesus, to say "Enough already!" and to work together to be God's hands and feet.

You are the answer to the prayers of the hungry, lonely, bullied, oppressed, and hurting.

What will you do **today** – not tomorrow or someday – to be the hands and feet of God in your world?

**Need a place to start?** There are some available seats on the Presbytery Coordinating Team and you can find out more either Wednesday, August 8 for lunch or/and Thursday, August 9 for our CT meeting to check us out:

- Moderator-Elect
- Secretary
- Liaison for Polk County
- Liaison for Hillsborough County
- Liaison for South Pinellas County
- Liaison for Pasco, Hernando, Citrus and Levy Counties

*love is what love does*

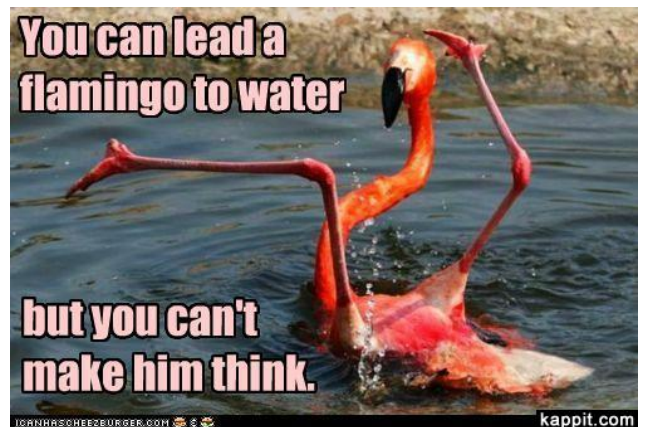

It is said the people who exhibit the most kindness have experienced a lot of pain.

The ones who act like they don't need love, are the ones that need it more.

The ones who take care of everyone else's needs are the ones who need it most.

And the people who smile a lot may be the ones who cry when there's no one around.

Do you know someone who fits this description? If yes, call them, send a card, shout them out on fb, give a hug, share a meal. Let them know that you appreciate them.

**Pause – Listen – Think – Pray – Act**

*Do all the good you can,  
By all the means you can,  
In all the ways you can,  
In all the places you can,  
At all the times you can,  
To all the people you can,  
As long as ever you can.*
