

Presbytery of Tampa Bay

455 Scotland St. Suite 1, Dunedin FL, 34698

August 16, 2018

If we say that we have fellowship with him while we are walking in darkness, we lie and do not do what is true; but if we walk in the light as he himself is in the light, we have fellowship with one another, and the blood of Jesus his Son cleanses us from all sin.

1 John 1:6-7

Reformed and always being reformed, right?

As we seek to address the need in our Presbytery for community and connection, the Network Groups are intended to be spaces where this can happen around similar interest. Below is the list of groups and a very general description of each. There is no commitment expected to a group nor are we looking for these groups to "do" or have an "end product" (As Presbyterians, we know this is hard to do). Our hope is that you will find fellowship, new ideas, and get to know your partners in ministry in your Presbytery. Please share and record your ideas for other possible groups and topics of interest with your facilitator or on your Presbytery Evaluation form. Thank you for your service, your ministry, and your participation!

First Time Commissioner Orientation Presbytery of Tampa Bay

If this is your first time as a Commissioner to any Presbytery meeting, please start here. If this is your first time at the Presbytery of Tampa Bay, but not your first rodeo, you may want to skip the first couple of sections.

Presbytery Meeting Basics

As a Presbyterian, you probably already know the basics of our system of government, so let me share a few tips you may not realize:

- You are a Commissioner, not a Delegate
 - This means that no one, not your session, not your pastor, not your spouse, can tell you how to vote on a particular issue. That's between you and the Holy Spirit.
- You may not know who all these people are and what their jobs are, so here's a cheat sheet. Cast of Characters:
 - o Moderator
 - Rev. Libby Shannon, the person with the gavel. The Moderator is responsible to make sure the meeting runs well, and is the non-staff leader of the Presbytery.
 - Vice Moderator
 - Rev. Loli Ros Reiter also moderates part of each Presbytery meeting, and is the Moderator in waiting.
 - Presbytery Coach and Coordinator
 - Elder Patrice Hatley is our Presbytery's coach and executive. She's the staff numero uno and has a variety of responsibilities throughout the Presbytery, including acting as pastor to our clergy members.
 - Stated Clerk
 - Rev. Dave Baker is the Presbytery's Stated Clerk and Director of Communications. As Stated Clerk he's responsible to help plan presbytery meetings, prepare the presbytery packet, and keep the meeting running "decently and in order", acting as the Presbytery's parliamentarian.
 - o Treasurer
 - Elder Terry Dennis is the guy who's going to explain the numbers to us. He's a volunteer officer of the Presbytery and responsible for the finances and budget of the Presbytery.

- You'll hear a lot of acronyms at a Presbytery meeting. Mostly these are our Committees and Commissions. Some translations:
 - o COM (Commission on Ministry)
 - The Commission on Ministry is the primary body responsible for making decisions about relationships between pastors and churches, whether a particular pastor may become a member of the Presbytery, etc. It does its work primarily in regions. The COM is chaired by Rev. Laurie Palmer. East Region Chair is Ruling Elder Kris Marone, Central Region Chair is Rev. Nicole Abdnour, West Region Chair is Ruling Elder Michael Clark.
 - CPM (Commission on Preparation for Ministry)
 - The Commission on Preparation is the primary body responsible for those seeking to become ministers, also known as Inquirers and Candidates. Chaired by Rev. Deb Belusa.
 - CCV (Commission on Church Vitality)
 - They have all kinds of resources and money to give to churches, with some left over every year. The CCV is chaired by Rev. Micki Robinson. Get to know your regional chair: Rev. Joy Laughridge West, Paula Salter Central, and Evelyn McMullen East.
 - o NRC (Nominating and Representation Committee)
 - Responsible for nominating Teaching and Ruling Elders to most committees and commissions. Be sure to share your gifts and talents with Chair Rev. Denise Lay!
 - Trustees (Board of Trustees)
 - The Trustees are a Commission of the Presbytery that handles the legal side of Presbytery business, implementing decisions of the main body, but also approving requests from churches for things like leasing their sanctuary, selling property, etc. Chaired by Ruling Elder John Hehn.
 - CT (Coordinating Team)
 - As the leadership group of the Presbytery, the Coordinating Team is a Commission made up of the chairs of each group above, as well as the Moderator and Vice-Moderator. The outgoing Moderator acts as the chair of the CT, while the Treasurer, Stated Clerk and Presbytery Coach and Coordinator all serve as ex officio members of the Team. Chaired by Rev. Mike Loudon.
- Presbyterian meetings are governed by Robert's Rules of Order
 - "No? Really?" you say. But yes, believe it or not, the Book of Order directs (G-3.0105) that Presbyterian councils (such as the Session or Presbytery or General Assembly) are governed by Robert's Rules of Order. That doesn't mean you have to be a parliamentary expert to attend meetings, but you should probably learn the basics below if you want the meeting to make sense once business begins.

Robert's Rules Cheat Sheet

Below is a summary of your rights and responsibilities under Robert's Rules. Generally speaking, these rules are intended to reduce tension, protect the rights and voice of the minority opinion, and of course, keep us doing things "decently and in order" (1 Cor. 14:40, ESV).

- Always address your comments to the Moderator or presenter, never to other commenters
- Generally, don't interrupt another speaker, but wait until you're recognized by the Moderator
 - EXCEPT for these reasons (not exhaustive):
 - You can't hear what's going on or you're so uncomfortable over the room temperature, etc. you can't stay in the meeting (say, "Point of Privilege" then explain the problem)
 - You think something was wrong with what just happened (say, "Point of Order" then state your objection. The chair will then decide if you're right or not.)
 - You want to request information from the speaker (say, "Point of Information" and ask your question. This is NOT an opportunity to give information, but only to request it.)
- Some motions it may be useful to know about:
 - o Call the Question, aka, Move the Previous Question
 - A request to vote on whether or not to vote. This motion requires a second, but isn't debatable. It can only be made after the Moderator recognizes you. Typically it's made when someone thinks we've hit the limit of productive discussion, and we're running in circles.
 - When you hear "Call the Question", be aware that the next vote is not on whatever it is we're talking about, but on whether or not to continue discussion. An affirmative vote will end discussion, and the next vote is on the main motion.
 - To protect the rights of the minority opinion, this motion requires a 2/3rds majority to pass.
 - Amendments to Main Motions
 - If you want to slightly modify the language of a motion, to add, delete or replace some language, you'll want to say "I move to amend the motion..." when the Moderator recognizes you. This requires a second, and will then be discussed and voted on.
 - Substitute Motions
 - If you want to substantially modify a motion on the floor, changing the intent or most of the language, you need to use a Substitute Motion instead of amending the current motion. When the Moderator recognizes you, you'll say "I move the following substitute motion" and read your alternative suggestion. You'll also want to provide a copy to the Stated Clerk in writing.
 - o Division of the House
 - If you think that a voice vote was too close to call, any member of the Presbytery may request a "Division of the House" or vote by raised hands or ballot.

- Order of the Day
 - Not a motion, but something you'll see on the agenda, usually related to lunch. All "Order of the Day" means is that we need to drop whatever it is we're doing when the time for that item arrives and start doing the "Order of the Day".
- Not necessarily in Robert's, but please follow these conventions of our Presbytery regardless:
 - When you want to speak, please come to the microphone, then state your name, status (clergy or elder) and church.
 - Please return your nametag lanyard and evaluation to Ann Marie at the end of the meeting.
 - o Please read the Presbytery Packet thoroughly before the meeting.
 - Especially, read the items on the "Consent Agenda", as those motions will be passed right at the beginning of the meeting unless you speak up at that time.
 - You should also bring a copy of the Presbytery Packet with you, as there won't be any additional printed packets at the meeting. Digital copies are fine.
 - o If you're *really* into polity, you may also want to consult the Presbytery's bylaws found on our website for more information about how our presbytery does business.

What makes the Presbytery of Tampa Bay different than other presbyteries?

If you're new to our presbytery, you may want to read the information above about our committee and commission structures. Several years ago our presbytery underwent a transformation process which is only recently being brought to completion. This resulted in a new mission statement, some common values, and a more relational, "bottom up" model of doing its work.

Our Mission Statement, to identify and strengthen leaders so that every congregation makes new and mature disciples for Jesus Christ, helps us to keep our focus on leadership development and outreach. Practically, this means that there is usually a component of training at Presbytery meetings, but also that there are intentional relational opportunities for us to get to know other leaders.

The core values we adopted during the transformation were to be relentlessly congregational, meaningfully connected, faithfully constitutional and unapologetically Christ-Centered. We want to focus on helping our congregations succeed, our Teaching and Ruling Elders to know and lean on one another, our processes and meetings distinctively Presbyterian, while focusing not on ourselves but on our Leader, Christ.

What, if anything, do I need to know about the August 23rd, 2018 meeting of Presbytery?

So what interesting tidbits should I be aware of for our upcoming meeting? The Packet is always a lot of reading, so here are the cliff notes, just to make sure you don't miss the more interesting bits:

- The Coordinating Team will present a revised set of bylaws and a revised Manual of Operations to reflect the end of Regional Commission gatherings
 - o p. 29 and Appendix
- The Commission on Ministry (COM) will present Mike Loudon for honorable retirement
- Per Capita for next year will be approved, as will meeting locations for 2019
 - o p. 27
- An Administrative Commission to help Northwest Presbyterian Church will be voted on
 - o p. 28

 - New Hope Presbyterian (St. Petersburg) has also received \$25,000 from 1001
 New Worshiping Communities
 - Nuevo Camino at Beth-El and Nueva Esperanza at Hope Presbyterian have received first level funding from 1001 New Worshiping Communities
- The commission has chartered a bus to transport people to the Synod Small Church Conference at St. Simon's Island in March, 2019. This is to further support and nurture a small church network.
- A "Sermons of Service" Facebook page was created and the concept of "Sermons of Service" has been copied in other presbyteries
- The commission works with churches that have received building related loans through conversations with the trustees. CCV develops a process, in consultation with the congregation, whereby those loans may become grants. Several congregations have received such loans and are responding to the challenge to be forward looking in mission and ministry. Factors that will be considered include:
 - o Financial Health:
 - We will ask that the congregation complete the financial assessment tool from the Presbyterian Foundation
 - An insurance review
 - A look at stewardship and financial practices
 - Church Vitality
 - What is the congregation's mission?
 - How is that mission evident in the congregation's life?
 - Is there a ministry plan?
 - What is the hope for the future?
- CCV has funds available that can be used for vitality and mission projects, particularly
 ones that take congregations in new directions. As these requests are made, some of
 the same questions about Financial Health and Church Vitality will be asked. A first

- step, an application for Church Vitality Projects, can be found in the CCV section of the website. Currently, it says "West Region."
- CCV strives to work with congregations directly as partners in ministry and discernment, seeking to encourage churches to bear witness where they are in ways that nurture mature disciples.

Report of the Committee on Nominations and Representation To the Presbytery of Tampa Bay August 23, 2018

The Committee on Nominations and Representation nominates the following persons for election to the positions indicated. As much as possible, the Committee worked hard to address the need for parity among the members of the Committees/Commissions of the Presbytery to reflect a balance of Elders and Clergy, in addition to reflecting the gifts and skills necessary for ministry, and to be mindful to address the diversity of the Presbytery. Also, it can be noted that the Committee on Nominations and Representation has given attention to representation for and from the regions of the Presbytery. Nominations from the floor are in order, but require the prior agreement of the persons who are being nominated. Please note that certain terms apply and are noted: for example 2020-1 means class of 2020 serving first term. Please also note the following abbreviation key:

June 11, 2018

Dear Friends of Tampa Bay Presbytery,

Patrice Hatley, Presbytery Coach
Clem Street, Contact Person to N.W. Presbyterian
Michael D. Clark, West Region Chair
Dave Baker, Stated Clerk

We, the Session of NorthWest Presbyterian Church, have been committed to serving our congregation and community to the best of our ability. We have many assistance programs actively helping many homeless and hungry people through our Food Bank, Clothing and Health aids, Showers and the several AA meetings each week held in our church to meet the needs of Drug and Alcohol Addiction.

However there are needs that we are facing that we are not able to adequately meet which include some major financial obligations, the ability to have a full time minister (or even a part-time minister) and other building repairs that are needed. It would be helpful to have the assistance of Presbytery to aid us in drawing up a new Mission Plan that will take us into the future as a secure, confident mission-minded congregation serving the community around us as well as aids to special needs people facing homelessness, addictions, and family/personal counseling. In order to be a viable ministry we need the help of caring and knowledgeable people. We want a trust relationship with Presbytery knowing that there are caring and capable people in Presbytery that can help us achieve a working plan for the future.

We hope you might give consideration to helping us in this endeavor. We are committed to helping others, and though our numbers are small our faith is large. Thank you for considering our requests.

Sincerely,

Paulette Leiby, Clerk of Session

John R. Harland, Stated Supply

Summary of Changes to Bylaws and Manual

At the May 5th, 2018 Stated Meeting of the Presbytery of Tampa Bay, the Presbytery voted to adopt a motion from the Coordinating Team which would eliminate Regional Commissions in favor of more frequent Presbytery meetings and networking groups. In response to that motion, the foundational documents of our Presbytery, the Bylaws and Manual of Operations, have been extensively updated.

Most of the changes relate to removing Regional Commissions, but there are also a few other additions which have been rolled into the changes, such as a new policy on email voting. Read about the changes below, and download the full changes at: presbyteryoftampabay.com/Packet-Appendix-08-23-18.pdf

Summary of Changes to Bylaws:

The COM's powers required further updating in response to how they were living into the new structure, there needed to be a section describing the Committee on Bills and Overtures somewhere, and there were some new looser rules available for email voting. Otherwise, the changes to the Bylaws were related to removing the Regional Commissions.

- Removed all references to Regional Commissions
- Commissioned Ruling Elders are now Commissioned Pastors and that language has been updated throughout
- Added section 1.4.m, allowing Presbytery boards to take actions between meetings via email
 with unanimous affirmative consent (no response does not indicate consent). Actions are then
 ratified at the next meeting.
- Removed section 2.7.e as it is redundant with 2.7.c
- Updated powers of the Commission on Ministry
 - o Clarified who elects Regional Chairs (the COM as a whole)
 - Added power to set minimum terms of call for Commissioned Pastors alongside Pastors and Certified Christian Educators
 - Added power to approve requests from congregations to create or abolish pastoral positions.
- Added section 4.2 on the Committee on Bills and Overtures. This committee was formerly part of the standing rules, but didn't make it into the previous versions of the Bylaws.

Summary of Changes to Manual of Operations:

Changes to the Manual were relatively straightforward:

- Removed all references to Regional Commissions
- Updated Redress to reflect lack of Regional Commission Leadership teams (this only affects the Nov. 8th, 2018 Stated Meeting, as the new Redress will be approved then)
- Removed regional balancing requirements from committee and commission membership rules
- Updated the links to the COM Manual and the new Bylaws (assuming they are approved)

There is plenty to smile about at Beth-El!

The dental clinic will be opening in September and negotiations have begun with Catholic Charities to bring a medical clinic to Beth-El. When complete, the Health & Wellness Campus will have onsite legal, medical, dental and other services that enhance the lives of those living in poverty.

Most of the farms in our area are idle this time of year. Those who earn their living in the fields and remain in

Wimauma will likely be

unemployed until Fall, which makes the services provided by Beth-El so important.

Recipient's of the mission's weekly food distribution have doubled in the last three years. On a recent Tuesday, over 720 families passed through our hallways, receiving dry goods, fruits, vegetables, paper products and other needed resources. We believe this increase in attendance is due partly to the healthy items the mission can offer, but may also be part of a growing trend as more farmworkers have difficulty securing stable housing and employment.

Long term, education is the key to sustainable transformation. This year the mission has approved scholarships for nine students from

our community. Their interests

range from pursuing a nursing degree to working at NASA!

Pastor Tamara and the congregation of Nuevo Camino at Beth-El, continue to strive to live as Christ's faithful disciples through life's ups and downs. Recently the congregation embarked on an in depth study of Mark 4:35-41 discerning God's presence in their lives through all times.

Over 70 children and youth participated in the mission's summer activities. 32 kids received scholarships to attend Cedarkirk, with over 75 enrolled in Vacation Bible School. For the fourth year, Trinity Presbyterian of New Port Richey led the first week of VBS, followed by Fernadina Beach in week 2. The third week of summer activities included each child picking out a pair of new shoes at Walmart

followed by another fun "pool day" at Cedarkirk. All ready plans are in the works for next year's VBS.

The summer activities concluded with the Blessing of the Backpacks on August 5th. This year we anticipate distributing over 500 backpacks to students in our community.

Some knowledge of Spanish is helpful, but not required. Volunteers interested in becoming a mentor in the Step Up for Success program or Dental Clinic must be bi-lingual. Additional Training may also be required. *The outreach to farmworkers in the fields is seasonal (September through April).

Cedarkirk Capital Campaign Update

Stated Meeting - August 2018

Cedarkirk is in the midst of a \$4 million capital campaign that focuses on improving the accessibility of our buildings and expanding our facilities so that we may better minister to those we serve. We are delighted to report that we have raised over 1.3 million dollars! Our goal is to reach 2.5 million enabling Cedarkirk to break ground on the new dining hall portion of this effort. This ministry has been a blessing in the lives of so many children, youth, and adults for the past 47 years and we are grateful for your history of support and partnership in sharing God's love. For information, please contact John Reiter at john@cedarkirk.org or Julie Poulin at campaign@cedarkirk.org.

Sensational Summer Camp Season

We have been blessed with another great summer full of fun and faith. This year, nearly 1,400 children and youth have been a part of our summer programs. Through our traditional summer camp, the Challenge to Change programs, and Traveling Day Camp, it has been a summer filled with stories of transformation and growth. We have also been blessed with an incredible summer staff, dedicated volunteers, and wonderful worship leaders. Thank you for all that you did to pray for and support the summer ministry of your camp and conference center.

Have You Heard about Cedarkirk Traveling Day Camp?

This summer, Cedarkirk was thrilled to partner with the following congregations to serve over 500 campers by bringing a week of day camp to their church: Forest Hills PC in Tampa, First PC in Brandon, Kirkwood PC in Bradenton, Venice PC in Venice, Peace PC in Lakewood Ranch, Palma Ceia PC in Tampa, Hope PC in Winter Haven, Trinity PC in New Port Richey, McCleod Memorial PC in Bartow, Vanderbilt PC in Naples, Christ PC in Largo, Hyde Park PC in Tampa, Faith PC in Cape Coral, and First PC in Sarasota. In each setting, we arrived with a van load of staff, supplies, games, and more...all the things needed to provide an exciting and transforming week of growth and spiritual development. The response to this program has been tremendous and we are grateful for these incredible partners. If you are interested in partnering with us to host a traveling day camp in 2019, please visit www.cedarkirk.org/tdc to learn more.

Fall Events for All Ages! - Camp Isn't Just for Kids!

As we look ahead to the fall, we are delighted to be offering programs designed for God's children of all ages. On Labor Day weekend, we will host our annual Family Retreat, which is a great opportunity to enjoy all that camp has to offer as a family. In late September, we welcome elementary age groups to our Falltastic retreat for 24 hours of fun and faith. We all know how hard it is to hear God in the midst of our busyness, surrounded by all the noise that is in our lives. We hope you can take a moment in October to join us for our Silent Retreat and be open to listening for God's voice in your life. On October 30th, we will host our annual Older Adult Retreat complete with a dynamic speaker (Rev. Dr. Ken Shick), engaging program, and tasty lunch. Finally, we will be offering two Fusion youth retreats for both middle and high school groups in November. Please visit www.cedarkirk.org for more info.

How You Can Help!

Work Teams are needed in several areas across Florida. Please consider forming a mission team to help a family repair their home. Many families are still living under blue tarps and in moldy structures and can only recover through the coordination of volunteers and donated resources. FLAPDAN has partnered with these amazing organizations through local Long Term Recovery Groups and helps to coordinate volunteer teams to serve these communities. Check out some of the opportunities at http://pda.pcusa.org/page/work-teams-locations/#fl or contact Kathy Broyard, FLAPDAN Executive Director, at fla.pdan@pcusa.org or 941-483-0675. Thank you!
