

2022 PRESBYTERY OF TAMPA BAY BASIC MISSION GIVING PLEDGE FORM

Mission Giving to the Presbytery of Tampa Bay for 2022 focuses on the following priorities:
Leadership Development
Beth-El Farmworker Ministry
Cedarkirk Camp and Conference Center
FLAPDAN (Florida Presbyterian Disaster Assistance Network)

Your mission giving allows these important ministries to continue. Pledging support also helps ministries plan how to best use the resources they can expect to receive. A portion of your shared mission dollars also may go to the Synod of South Atlantic and Presbyterian Mission Agency. They focus on much needed racial/ethnic ministries, worldwide mission partnerships, disaster assistance, peacemaking and justice initiatives and much more.
